Stiefel Intestinal Herbs

For regulating the gastrointestinal tract
100 % unadulterated herb mixture

Supplementary feed for horses

Stiefel Intestinal Herbs are a specially selected, natural herb mixture for regulating the entire gastrointestinal tract of horses. These herbs can have a positive effect on the digestive system, promoting healthy digestion. Stiefel Intestinal Herbs can be administered either continuously or specifically during periods of increased gastrointestinal stress, such as stable changes, feed changes, or at the beginning of the grazing season.

Composition

Sage leaves 20.00 %; Balm herb 20.00 %; Camomile herb 20.00 %; Oregano 10.00 %; Anise 10.00 %; Yarrow 20.00 %

Analytical components

Crude protein 9.90 %; Crude oils and fats 2.80 %; Crude fiber 26.80 %; Crude ash 8.40 %
