Stiefel Gastro Vital

Support for stomach and intestinal flora
With algae lime and magnesium oxide

Supplementary feed for horses

Stiefel Gastro Vital is a supplementary feed for horses that can help to optimize the horse's stomach health. The dried red algae it contains has a very high mineral content, especially calcium and magnesium. These minerals can support the horse's stomach in a natural way. Stiefel Gastro Vital can help to promote a stable and balanced stomach environment. Stiefel Gastro Vital can therefore also have a beneficial effect on digestion, as less acidic stomach contents can enter the digestive tract.

Composition

Algae lime (Lithothamnium Clacareum); Magnesium oxide; Linseed cake; Sugar; Vanilla

Analytical components

Crude protein 4.00 %; Crude ash 68.00 %; Crude fiber 2.00 %; Crude fat 2.00 %; Calcium 23.00 %; Magnesium 8.50 %

Feeding recommendation

Large horses (600 kg body weight)	50 - 100 g / day
Small horses	25 - 50 g / day

(1 heaped measuring spoon = approx. 40 g)
