

## Data Sheet

Version: 26.04.2024 – V2

### Stiefel Hemp Seeds

Good for coat, skin and the immune system  
Whole seeds

### Feed material for horses

Stiefel Hemp Seeds, also known as hemp nuts, can have a positive effect on the health and the entire organism in a variety of positive ways. Stiefel Hemp Seeds can have a positive effect on the horse's immune system, skin, coat and hooves. Hemp seeds can also help to support the muscles and nervous system.

### Composition

Hemp seeds 100 %

### Analytical components

Crude fiber 99.90 %

### Feeding recommendation

Large horses (600 kg body weight) 60 g / day

Small horses 30 g / day

(1 heaped tablespoon = approx. 10 g)

Please feed slowly. Administer daily over a period of at least 2 to 8 weeks. The dosage can be doubled temporarily and in acute need. If the hemp seed is freshly squeezed or pounded before feeding the ingredients can be absorbed even better.

### Storage note

Store feed in a cool, dry place away from direct sunlight. Use soon after opening.

**Presentation:** Seeds whole

### Packaging:

Art. ST009460 650 g bag

Art. ST009461 1.6 kg bag
