Stiefel Cardiovascular Juice

To support the cardiovascular system

Complementary feed for horses

Stiefel Cardiovascular Juice contains 100% carefully selected herbs that can support your horse's general wellbeing and contribute to a healthy circulatory system. Older horses or animals experiencing periods of increased stress benefit in particular from the harmonising effect of this mixture.

Composition

hawthorn; St. John's wort; yarrow; ginkgo; rosemary; lemon balm

Analytical constituents

crude protein < 0.50%; crude fibre < 0.30%; crude ash 0.50%; crude fat < 1.00%; sodium < 0.50%; moisture 98.60%

Additives per kg:

Technological additives

sodium propionate (1k281)	2,000 mg
potassium sorbate (1k202)	2,000 mg
citric acid (1a330)	1,000 mg

Feeding recommendation

Large horses (600 kg BWT)	50–100 ml per day
Small horses (300 kg BWT)	25–50 ml per day

Please observe current FN anti-doping guidelines (ADMR).

Storage instructions

Store feed in a cool, dry place away from direct sunlight. Consume quickly once opened. Keep away from small children.

Administration form: liquid

Packaging:

Art.: ST009810 1 l dosing bottle
