Stiefel Linseed Granulate

For healthy digestion

With natural, digestion-supporting mucilage

Feed material for horses

Stiefel Linseed Granulate is a ready-to-feed linseed cake whose oil content has been gently reduced by cold pressing. This makes Stiefel Linseed Granulate very easily digestible. Due to the high proportion of mucilage, Stiefel Linseed Granulate can have a positive effect on the digestive system. Stiefel Linseed Granulate can also be fed during the change of coat to provide support.
