

## Data sheet

Version: 06.05.2024 – V2

### Stiefel MAG Plus Pellet

For more serenity  
Magnesium with vitamin B12 + E

#### Supplementary feed for horses

Stiefel Mag Plus Pellet is fed to provide support in stressful situations and to increase resilience. The effective combination of magnesium, vitamin B12 and vitamin E can have a positive effect on irritable, nervous or restless horses suffering from feed-related deficiencies. This can promote resilience, concentration and willingness to perform.

#### Composition
