Stiefel Sage

Good for respiratory tract and digestive system
Leaves, cut

Feed material for horses

Stiefel Sage can have a positive effect on the airways and support the natural function of the mucous membranes of the respiratory tract. Stiefel Sage can also help to optimize digestion and thus support the gastrointestinal tract. Stiefel Sage can support skin care when used externally.

Composition

Sage leaves, cut 100 %

Analytical components

Crude fiber 17.90 %; Crude protein 9.50 %

Feeding recommendation

Large horses (600 kg body weight) 30 - 50 g / day

Small horses 20 - 30 g / day

(1 heaped tablespoon = approx. 6 g)

Mix into the feed, either dry or brewed with the stock.

Storage note

Store feed in a cool, dry place away from direct sunlight. Use soon after opening.
Store out of reach of small children.

Presentation: Herbs, cut

Packaging:

Art. ST003702 500 g bag
