Stiefel Black Cumin Seeds

Good for respiratory tract and immune system
Whole seeds

Feed material for horses

Stiefel Black Cumin Seeds can stimulate the immune system and can have a positive effect on the skin. Black cumin is rich in polyunsaturated fatty acids. This can support the horse's metabolism, intestinal flora and mucous membranes. Stiefel Black Cumin Seeds are therefore also ideal for horses with sensitive skin.

Composition

Black cumin seeds 100 %

Analytical components

Water 5.90 %; Crude ash 4.40 %; Crude protein 21.00 %; Crude fat 42.50 %;
Crude protein 7.40 %
