Stiefel Black Cumin Pellet

For the respiratory tract and the immune system
Rich in polyunsaturated fatty acids

Feed material for horses

Stiefel Black Cumin Pellet is a ready-to-feed black cumin cake whose oil content has been reduced by gentle cold pressing. Black cumin is rich in polyunsaturated fatty acids and can have a positive effect on the horse's immune system, skin, coat and respiratory tract. Stiefel Black Cumin Pellets can also support healthy skin function in horses with sensitive skin.

Composition

Black Cumin press cake, cold-pressed 100 %

Analytical components

Crude protein 30.00 %; Crude fiber 6.70 %; Crude oils and fats 21.00 %; Crude ash 6.40 %

Feeding recommendation

Large horses (600 kg body weight)	60 – 100 g / day
Small horses	30 - 60 g / day

Ready to feed, no brewing required.

Storage note

Store feed in a cool, dry place away from direct sunlight. Use soon after opening.
Store out of reach of children.
