Stiefel Seaweed Meal

For skin, coat and immune system
With 100 % natural pure algae

Feed material for horses
Stiefel Seaweed Meal consists of 100 % natural seaweed. Seaweed is naturally rich in valuable minerals, trace elements and amino acids, which have a positive influence on the horse's skin and coat and can also strengthen the immune system. The minerals and trace elements contained are easily absorbed by the horse.

Composition
Seaweed 100 %

Analytical components
Crude fiber 8.20 %

Feeding recommendation

Large horses (600 kg body weight)	30 g / day
Ponies	15 g / day

(1 heaped measuring spoon = approx. 15 g)

Storage
Store feed in a cool, dry place away from direct sunlight. Use soon after opening.

All participants are required to comply with the current anti-doping regulations (ADMR) established by the FN.

Presentation: Powder

Packaging:

Art. ST009660	1.5 kg tub
