Stiefel Willow Bark

Good for joints and blood circulation
Herbs, cut

Feed material for horses

Stiefel Willow Bark provides valuable, palatable crude fiber and is traditionally used to support joint metabolism and, in general, to promote a healthy musculoskeletal system.

Composition

Willow bark, cut 100 %

Analytical components

Crude fiber 61.70 %

Feeding recommendation

Large horses (600 kg body weight) 25 - 50 g / day

Small horses 10 - 25 g / day

(1 heaped tablespoon = approx. 7 g)

Mix into the feed, either dry or brewed with the stock. Do not feed longer than 3 weeks (without veterinary advice).

Storage note

Store feed in a cool, dry place away from direct sunlight. Use soon after opening.
Store out of reach of children.

All participants are required to comply with the current anti-doping regulations (ADMR) established by the FN.
